

Tips for your Removal

Useful tips to make your move as smooth as possible

Confirm with us, in advance, your preferred removal date.

When moving dates are finalised, you can cancel services such as newspaper delivery, telephone, water.

Arrange flying tickets if necessary.

Make arrangements to change your address such as at the bank, motor license department, hire purchase suppliers, life- and short term insurance companies, schools, churches, shop accounts, DSTV etc.

Defrost your deepfreeze and fridge ahead of your long distance removal.

Stabilize the drum of automatic washing machines with its brackets.

Arrange well in advance for the disconnection of your stove, taking off shelves, dismantling of cupboards, beds, doors, taking off curtains etc.

Drain fuel from heaters, tanks, lawnmowers, motorbikes etc.

Let out ALL gas in gas bottles. Transport your own paint and flammable items.

Water your plants well, before your move & tighten lids on any jars being moved.

Handle your valued items personally such as jewellery, make up, documents etc.

If applicable, ensure enough insurance cover for your removal.

If Removals24 is not packing, ensure that all your packing are done BEFORE the day of your removal and mark all your boxes.

Ensure that you have the keys of your new premises when offloading furniture.

You need to arrange for the dismantling of your satellite dish before your removal.

Confirm if shuttle service is necessary before the removal.

Confirm final dates only with the scheduling department.

Kindly ensure that your account is settled in full before we load your goods.
